# Let’s get started.

EN

Quickstart Guide

# At a glance.

No surprise here—we keep it simple so your favorite song is just a tap away.

- Bluetooth
- Bass Adjustment
- Volume Down
- Volume Up
- Mute Mics
- Alexa Activation

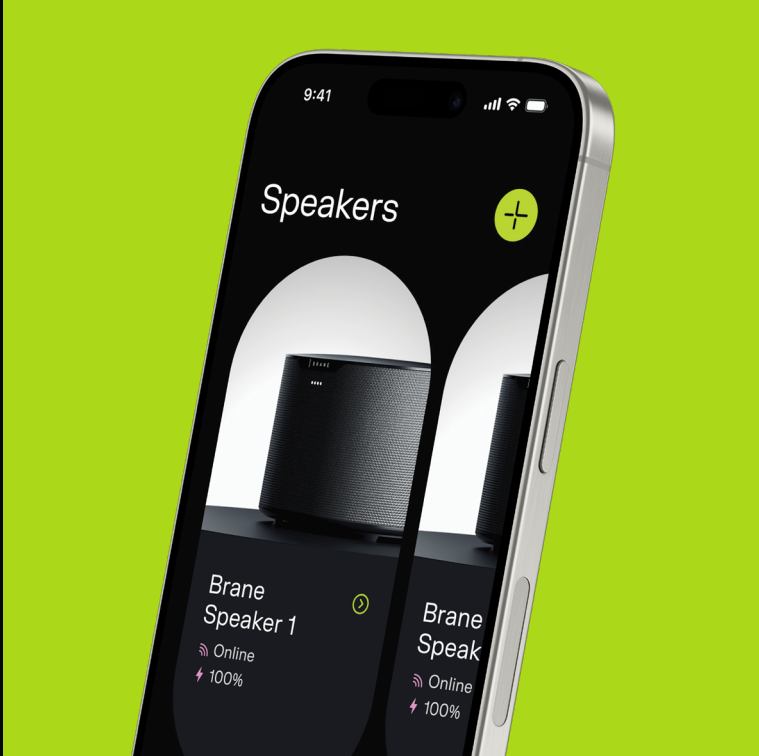

# Get connected.

**01** **Download the Brane App**

Fine-tune your speaker's sound profile, group multiple speakers, name your speaker, and get the latest firmware updates.

**02** **Or connect instantly with Bluetooth**

Tap the Bluetooth button once to pair.
